

SENATOR NELSON: Mmm, hmm. Whether or not he received a penitentiary sentence or whether the fact that he was just charged for that crime, see, that's where the difference is.

SENATOR CHIZEK: Well, they might end up on, you know, they could end up on probation for two years or three years and the crime itself was punishable. That...

SENATOR NELSON: If he ended up on probation, that also then would then preclude him from training?

SENATOR CHIZEK: Yes.

SENATOR NELSON: Thank you.

SPEAKER BARRETT: Senator Baack, please.

SENATOR BAACK: Well, part of the...you know, Senator Chambers brings up a good point about the bill, you know. I'm not going to argue that but it is not part of the committee amendments, you know. What he is talking about is the bill itself. The committee amendments don't deal with that aspect of it. They don't talk about the driver's license, that is part of the bill. That is not part of the amendments, so I just want to make that clear when we vote on the amendments. Senator Nelson, I don't know if I can help you answer your question, but in the committee amendments we take out that language that says imprisonment in a state or federal penitentiary. In a state or federal penitentiary is taken out because it just talks about strictly about imprisonment. Does that straighten out your...

SENATOR NELSON: Yeah, that clarifies...I don't have the...I have last year's bill, see.

SENATOR BAACK: Yeah, the committee amendments do strike that language...

SENATOR NELSON: Yeah, and I don't have that.

SENATOR BAACK: ...because they wanted to talk strictly about imprisonment, whether it be in jail or in a...whatever, just imprisonment.

SENATOR NELSON: That answers my question.
